ACADEMY NOMINATIONS**

FROM: CONGRESSWOMAN GINNY BROWN-WAITE

RE: ACADEMY APPLICATION

It is time to start working toward your congressional nomination. In an effort to assist you, enclosed is an application with detailed procedures. I suggest you carefully read these procedures before completing the application.

If you have not registered for the SAT or ACT test, do so now. The Academy Selection Committee requires a minimum combined total score of 1050 (SAT) before an applicant can be considered for nomination. **The deadline for completion of all files is November 3, 2006. If your file is not postmarked by that date, you will be automatically disqualified.**

If you have not contacted the Service Academies, you should contact them to request a pre-candidate questionnaire.

5th CONGRESSIONAL DISTRICT
SELECTION PROCEDURES FOR ACADEMY NOMINATION

20 NORTH MAIN STREET, ROOM 200
BROOKSVILLE, FL 34601
PHONE: 352-799-8354

Those individuals wishing to apply for nomination to the U.S. Service Academies must be citizens of the United States, residents of the State of Florida and the 5th Congressional District, and must never have been married. Applicants for the U.S. Military Academy, Naval Academy and the Air Force Academy must be at least 17 years of age and less than 22 years of age.

Each Congressman may not have more than five midshipmen or cadets at each Academy at any one time. Therefore, new applicants are considered only when a vacancy occurs in the quota through graduation or other causes. **Acceptance of an appointment commits an applicant to a nine year obligation to the Service (four years at the Academy and five years on active duty).**

The nomination process is a two-fold process. All prospective applicants must establish contact with the Admissions Office at the Academy of their choice. Once this is accomplished, the Academy will open a file for the candidate and transmit general information on the Academy plus detailed admission requirements, including a Prospective Candidate Questionnaire.

In order to ensure you are in our tracking system please submit in writing a request for Congressional Nomination (samples are available on all academy websites). **IT IS THE RESPONSIBILITY OF THE APPLICANT TO FOLLOW THROUGH WITH ALL REQUIREMENTS.**

If you are a student in one of the Academy preparatory schools, it is still necessary for you to seek a Congressional Nomination.

Candidates making application to the Merchant Marine Academy must be at least 17 years of age and less than 25 years of age on July 1 of the year of admission. However, a waiver may be granted for veterans of the armed forces on the basis of one month for service up to the age of 24. Individuals desiring a nomination are urged to request an application from the Academy at the same time they seek nomination through Congresswoman Brown-Waite. The Congresswoman will submit up to 10 names for consideration each year to the Merchant Marine Academy.

The Coast Guard Academy does not use the Congressional nomination system. If you are interested in attending the Coast Guard Academy, you must apply directly to the Academy. Congresswoman Brown-Waite's Academy Selection Committee will gladly assist any candidate interested in admission.

In order to be considered for the next class, the following information must be received in the Congresswoman's Brooksville office prior to November 3, 2006.

1. Completed application, including a recent photograph.
2. Personal statement on why you want to attend the academy of your choice. Please limit your essay to one typed page.
3. Two letters of recommendation from employers, coaches, teachers, clergy, etc. Do not use letters from family friends. **Only two letters will be reviewed.**
4. College Entrance Examination Scores, SAT or ACT (SAT preferred). These must be current. It is to your advantage to take these tests as often as possible. Your highest combined scores will be used. Direct that a copy of your scores be sent to the Congresswoman's Brooksville district office. Please use Testing Code Number 7325 for ACT and 0369 for SAT. Official High School Transcripts, which must include standing in class and grade point average. (Both of these must be in your file by the deadline.)

The deadline for the submission of all pertinent data will be November 3, 2006. It is very important that all material and data be sent directly to the Brooksville office. By sending materials to Washington, you will cause delays in maintaining your file.

After the November 3rd deadline has passed, the Academy Selection Committee will meet to review all applications. The Committee will select qualified candidates on the basis of their SAT score, scholastic records, athletic and extracurricular activities. Final recommendations will be made by the Committee. Motivation, character and leadership abilities will also provide major elements in the final selection. The committee will select those most qualified to appear for personal interviews. The Committee will recommend to Congresswoman Brown-Waite up to 10 nominees for each appointment available at the respective Academies, but final selection for appointment will be made by the Academies. Each finalist will be notified as to the specific appointment time for a personal interview to be held in November. You will also be notified of the location, with driving instructions and a map.

Please retain these instructions for information purposes. If you have any questions, please contact Shirley Anderson at Congresswoman Brown-Waite's office (352-799-8354).
